GENERAL INFORMATION for RESIDENTS

Because the general public is often unaware of various laws and regulations, the Town of South Hampton has prepared the following list as a guide for those considering actions for which some regulatory system is in place. This list is for information only and the public should consult the appropriate Officials or Boards for further details.

WETLANDS	No digging, filling or other flow modification in wetlands, as defined by Land Use Ordinances	Permit approved by Conservation Commission
SUBDIVISION	Must meet requirements of Zoning Ordinances and Regulations	Planning Board
HOME OCCUPATION	Use of Home for Business	Board of Adjustment
COMMERCIAL ZONE	Commercial Development	Planning Board (Site Plan Review)
BUILDING PERMIT	No construction or demolition until permit is fully signed	Building Inspector
OCCUPANCY PERMIT	No occupancy or use of new modified building until approved	Building Inspector
HISTORIC DISTRICT	No construction or modifications in those districts without approval	Historic Commission
SEPTIC SYSTEMS	Must meet State and Town standards	Health Officer
SAND & GRAVEL EARTH REMOVAL	Must have permit for excavation	Planning Board
BONFIRES	No burning without a permit	Fire Warden
TIMBER HARVEST	Yield tax, limits on cutting	Selectmen
MOTOR VEHICLE	Annual renewals on birth month	Town Clerk
DOG LICENSE	Annual renewal, rabies shots	Town Clerk
VOTER REGISTRATION	Upon establishing residence	Town Clerk/Supervisor of Checklist
REFUSE DISPOSAL	Weekly pickup, Thursday, limitations on volume and type, please inquire about Recycle Program	Selectmen
JUNK CARS	No more than two unregistered vehicles	Selectmen
STRAY ANIMALS	Dogs must be controlled by property owners	Police

Please refer to directory of officers and appointees for individual names. Additional information may be found in the various reports from the officials.

334 YES VOTES - 106 NO VOTES - PASSED

RECOUNT OF BALLOTS CAST

In March 12th, 1991 Annual Town Election

In accordance with N.H. Election Law 669:30, a recount of the votes cast for the three-year Selectman Term was held on March 25th, 1991 at the South Hampton Town Hall. The recount was requested by Vincent H. Early. The Board of Recount included Moderator Horace Cressy, Selectmen Charles Ducharme and Christine Moore, Town Clerk Carol Baker, Arthur Moore and Lee Knapp. Results of the recount:are 238 Early votes - 250 Hill votes.

Respectfully submitted,

Carol A. Baker

Town Clerk

ANNUAL TOWN MEETING
TOWN OF SOUTH HAMPTON, NH
MARCH 13th, 1991

The following evening on March 13th, Moderator Horace Cressy appointed Dennis Blair Assistant Moderator. At 7:37 p.m., Mr. Blair called the meeting to order. He then introduced Town Officials and stated the ground rules he would follow to moderate the meeting.

Reverend Robert Wyand was introduced and spoke about the division in the Town. He urged the townspeople to resolve their differences by talking to each other with mutual respect. He also reminded Town Officials that they represent and serve all the Townspeople.

John Santosuosso asked the meeting for a few minutes of silent prayer for our departed friends.

ARTICLE III - To see if the Town will vote to raise and appropriate the sum of \$228,405 for the general operations of the Town (majority vote required). Vincent Early moved to pass the article. Christine Moore seconded the motion.

Margaret Miller moved to amend Article III to increase the amount from \$228,405 to \$234,405, an increase of \$6,000 for the Planning & Zoning line item. Judy Shivik seconded the motion. Discussion on this motion was postponed until budget corrections were discussed.

Working from the revised Article III and budget that was distributed to townspeople as they entered the Town Hall, Mr. Early explained the corrections to Article III and the budget. The increase from \$225,405 to \$228,405 reflected the \$3,000 line item for Interest that was omitted when the Annual Report was published.

Walter Shivik questioned whether the Selectmen had properly allocated the \$55,515 Shared Revenue Block Grant between the Town and School District budgets.

Peter Bryant requested that the Budget Committee estimate the tax rate if the revised budget is passed. Lutz Wallem estimated the tax rate will drop by about 22% to around \$9.70 if property values do not change and the revenue estimate is accurate.

Assistant Moderator Dennis Blair read every line item in Article III, pausing after each item to see if anyone one wanted to discuss or change the line item. The first line item discussed was the Town Officers Expenses. The duties of the Selectmen's secretary were questioned. Christine Moore responded the Secretary helped Chief Theriault set up his office in addition to the clerical work she does for the Selectmen.

The next item discussed was Election and Registration Expenses. This was the only line item on which the Selectmen and Budget Committee differed. Budget Committee member Margaret Miller said the Budget Committee recommended \$600 because this year the supervisors of the checklist will verify the checklist.

The Planning and Zoning line item was then discussed. Mr. Blair reminded the Town meeting it still had not acted on Margaret Miller's motion to amend the line item from \$2,000 to \$8,000. Planning Board Member Gary Crosby provided information on the Planning Board expenses of surrounding towns. Planning Board Chairman Ilsa Briggs stated the Planning Board could not do its job with only \$2,000. Margaret Miller's motion was voted and failed.

Walter Shivik moved to amend the Planning and Zoning line from \$2,000 to \$5,000. Motion seconded by James VanBokkelen. Mr. VanBokkelen noted it would be difficult for the Town meeting to vote on line items and other money articles if the Town were not sure of the total amount the Town meeting can appropriate. David Outhouse then moved to adjourn the meeting until the uncertainty over the town's budget is resolved. Motion seconded by James Cardin. Vincent Early stated the figures in the budget handout at the beginning of the meeting were the correct figures. Christine Moore said the South Hampton representative of the Department of Revenue Administration and the Town's legal counsel told her the Town meeting could appropriate money so long as the meeting understood what amount was being appropriated for what purpose.

Budget Committee member Edward Condon raised the question whether the maximum amount that the Town meeting could appropriate under the Municipal Budget Act's 10% limitation would be the \$248,482 figure in the Annual Report or the \$260,572 figure in the revised budget. Budget Committee Member Margaret Miller pointed out the issue need not be resolved so long as the Town Meeting did not increase appropriations more than \$19,698 (\$248,482 - \$228,405). The motion to adjourn was voted and failed.

Ilsa Briggs explained the Planning Board has already incurred more than \$1,700 in legal and engineering fees this year. A \$2,000 budget would seriously jeopardize the Board's ability to protect the Town. Christine Moore spoke in favor of the \$5,000. Horace Cressy asked if the Rockingham Planning Commission can advise the Board on legal matters. Dennis Blair responded that they have no attorney on their staff. The motion to amend the Planning and Zoning line item from \$2,000 to \$5,000 was voted and passed.

The next line item discussed was Legal. Walter Shivik asked why the Selectmen itemized some, but not all legal expenses, yet met in executive session at the budget hearing to discuss legal expenses. Budget Committee Chairman said his committee met in executive session to discuss the merits of the lawsuits. Vincent Early explained the itemized expenses. ZBA Chairman Cornelia Courtney commented her Board did not know the status of cases that had been appealed. She also hoped the Selectmen estimated legal expenses wisely.

The next line discussed was Library. Margaret Kiely asked why the Library's line increased by \$4,000. Library Trustee Martha Anderson explained the Library's operating costs --heat, electricity, and telephone-- have increased because the Library is now in the new building.

The next line item discussed was Conservation Commission. James VanBokkelen, the Conservation Committee's Chairman, moved to amend his line from \$100 to \$300. Motion seconded by Ed Condon. Mr. VanBokkelen explained the increase was needed for incidentals and training sessions. The motion passed.

The Insurance line item was then discussed. Cornelia Courtney asked if Town Officers are insured adequately against lawsuits. Selectman Christine Moore said Town officers are covered under the Town's liability policy.

Peter Bryant felt there was a need to have an independent audit of the Town books and made a motion to increase the Town Officers expenses by \$3,500, from \$18,000 to \$21,500. The motion was seconded by Ed Condon and passed.

Assistant Moderator Dennis Blair asked Budget Committee Chairman Lutz Wallem to prepare a motion to amend Article III in light of Mr. Early's \$3,000 correction for the Interest line item, Mr. Shivik's motion to increase the Planning Board line item by \$3,000, Mr. VanBokkelen's motion to increase the Conservation Commission line item by \$200, and Mr. Bryant's motion to increase the Town Officers' Expense line item by \$3,500. Mr. Wallem then moved to amend Article III by increasing the \$225,405 figure to \$235,105. The motion was seconded by Margaret Miller. The motion passed. Mr. Wallem then moved to pass Article III as amended. Margaret seconded the motion. Article III as amended passed.

At 9:37 p.m., Assistant Moderator Dennis Blair declared a short recess. The meeting reconvened at 9:45 p.m.

ARTICLE IV - To see if the Town will vote to urge the Selectmen to try to recoup any and all expenses incurred by others in its legal defense. The article was moved by Christine Moore and seconded by Charles Ducharme.

JoAnn Hill moved to amend the Article to read: To see if the Town will vote to urge the Selectmen to pursue recovery of expenses incurred by the Town in its court actions, when the Town has initiated an action to defend any regulations that the Town is required to enforce. The motion was seconded by James VanBokkelen. The motion to amend failed. The motion to pass the article also failed.

Mrs. Howe requested a hand count on the vote to pass the article. After the count, the article still failed 58-52. Mr. Reynolds moved to reconsider Mrs. Hill's motion to amend the article. The motion was seconded by Pete Briggs. The motion to reconsider passed. After a discussion on the difference between Mrs. Hill's amendment and the article, another vote was taken on the motion to amend the article. The motion failed 59-53.

ARTICLE V - To see if the Town will vote to purchase a new Police Cruiser for the sum of \$13,079 and to further appropriate the sum of \$5,479 and to remove the \$7,600 from the Capital Reserve Fund. Charles Ducharme moved to pass the article. Christine Moore seconded the motion.

Charles Ducharme explained that the Chief could not get an inspection sticker for the present cruiser and repairs have been estimated at close to \$4,000. Chief Theriault itemized the repairs needed. Ed Condon moved to stop the discussion, seconded by Christine Moore. Mr. Blair ruled a 2/3 majority would be needed to stop discussion. The motion passed. The article was voted and passed.

ARTICLE VI - To see if the Town will vote to raise and appropriate the sum of \$3,000 for the repair of the Tennis Court, to be added to the encumbered amount of \$5,000, raised at the 1990 Town Meeting for the purpose of repairing the Tennis Court surface, as the original amount was insufficient to make the necessary repairs. Christine Moore moved to pass the article. Charles Ducharme seconded the motion. The article passed.

ARTICLE VII - To see if the Town will vote to allow the Board of Selectmen to set the following fees for services rendered from the Town's volunteer officials and to pay these officials from these permit fees, part of which will be returned to the General Fund of the Town:

Building Permit	Fees already established
Driveway Permit	\$30.00 / \$10.00 Returned to the Town
Hauling Permit	"
Occupancy Permit	"
Perc Testing	"
Septic Permit	"

The applicants will be responsible for these payments at the time the application is acted upon.

Vincent Early moved to pass the article. Charles Ducharme seconded the motion.

JoAnn Hill moved to amend the article to read: To see if the Town will vote to allow the Board of Selectmen to establish the fees set forth below for services rendered and permits issued by the Town's Officials and to compensate the Officials according to the schedule below:

Driveway Permit (per unit)	\$30.00 / \$10.00 retained by the Town
Hauling Permit -	"
Heating Permit -	"
Occupancy Permit (per housing unit)	"
Perc Testing (per perc hole)	"
Septic Permit (per housing unit)	"

The applicants will be responsible for these payments at the time of application and no permit shall be issued until payment has been made. Payment shall be payable to the Town of South Hampton. Compensation to the officials shall be the difference between the fee as set and the amount retained by the Town.

Peter Oldak seconded the motion to amend. Rebecca Riecks felt there was no need to change the Article. Ilsa Briggs spoke in favor of the

amendment. The motion to amend passed. Walter Shivik moved to pass the article as amended, seconded by Pete Briggs. The article as amended passed.

ARTICLE VIII - To see if the Town will vote to rescind Article 20, adopted at the 1990 Town Meeting under the provisions of RSA 79-A:25 which places 100% of all future land use change tax revenues in a conservation fund established in accordance with RSA 36-A, (after discussion with the Department of Revenue Administration of the State of New Hampshire). Christine Moore moved to pass Article VIII. Ed Condon seconded the motion. Christine Moore explained the Department of Revenue Administration advised the Selectmen the Town should rescind last year's Article 20 because of the large amount of money that could go into the conservation fund.

Conservation Committee Chairman James VanBokkelen moved to amend Article VIII to read: To see if the Town will vote to change the fraction of land use change tax revenues allocated by Article 20 adopted at the 1990 Town Meeting under the provisions of RSA 79-A:25 to a conservation fund established in accordance with RSA 36-A from 100% to 75%. Pete Briggs seconded the motion. Pete Briggs and James VanBokkelen spoke in favor of the amendment. Pam Noon asked what penalties are imposed on land use changes. Mr. VanBokkelen responded the penalty is 10% of the value of the land at the time the use changes.

Donald Noon moved to stop the discussion. Roy Syvertson seconded the motion. Assistant Moderator Dennis Blair ruled a 2/3 majority would be needed to pass the motion. The motion passed. Mr. VanBokkelen motion's to amend Article VIII passed 55-40.

Christine Moore moved to amend Mr. VanBokkelen's amendment to change the fraction from 75% to 25%. Rebecca Riecks seconded the motion. Pete Briggs moved to amend Mr. VanBokkelen's amendment to change the fraction from 75% to 50%. Lutz Wallem seconded the motion. Mr. Briggs' motion to amend passed.

As amended by Mr. Briggs' amendment, Article VIII would now read: To see if the Town will vote to change the fraction of land use change tax revenues allocated by Article 20 adopted at the 1990 Town Meeting under the provisions of RSA 79-A:25 to a conservation fund established in accordance with RSA 36-A from 100% to 50%. Article VIII as amended was voted and passed.

ARTICLE IX - To see if the Town will vote to continue the contract for waste disposal with the Kingstown Landfill beyond the period of the present contract which expires December 1991. Vincent Early moved to pass the article. Christine Moore seconded the motion. After BRDD/SRWD Representative Walter Hill spoke in favor of the contract extension, the article was voted and passed.

ARTICLE X - To see if the Town will vote to allow the Board of Selectmen to investigate other avenues of waste disposal to include the transfer station in Town of Newton, New Hampshire. Charles Ducharme moved to pass the article. Vincent Early seconded the motion. The article passed.

ARTICLE XI - To see if the Town will vote to allow hunting within its borders to those persons who have received permission from the landowner on whose land they wish to hunt. Said hunters must have written permission signed by the landowner in their possession at all times; and upon request, it shall be shown to any police officer, officer of the New Hampshire Fish and Games Department, or any property owner or his/her agent. Any person violating any provision of this by-law shall be punished by a fine of \$100 for each offense (by petition of Townspeople). Charles Ducharme moved to pass the article. Vincent Early seconded the motion.

Richard Oakes spoke in favor of the article. David Outhouse spoke against the article. Chief Theriault said the Department of Fish & Game have a law on the books that requires hunters to get permission for hunting. Christine Moore moved to stop discussion on the article. Vincent Early seconded the motion. Assistant Moderator Dennis Blair ruled a 2/3 majority would be needed to pass the motion to stop discussion. The motion was passed. The article then passed.

ARTICLE XII - To see if the Town will vote to allow the students of The Barnard School to permanently display the banners attained by the basketball team, The Hawks, where all the Townspeople may acknowledge the team's accomplishments in light of the fact that there is no appropriate place to properly display these awards in the school (by petition of Townspeople). Christine Moore moved to pass the article. Vincent Early seconded the motion. The article passed.

ARTICLE XIII - To see if the Town will vote to urge the Planning Board to revise the Home Occupation Zoning Ordinance. To avoid taking the meeting's time, Ilsa Briggs, Chairman of the Planning Board, asked for a vote on waiving the article. It was voted to move on to the next article.

ARTICLE XIV - To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money. Vincent Early moved to pass the article. Charles Ducharme seconded the motion. The article passed.

ARTICLE XV - To see if the Town will vote to authorize the Board of Selectmen to hire money in anticipation of taxes. Vincent Early moved to pass the article. Charles Ducharme seconded the motion. The article passed.

ARTICLE XVI - To see if the Town will vote to allow the Board of Selectmen to dispose of surplus Town property. Vincent Early moved to pass the article. John Santosuosso seconded the motion. The article passed.

ARTICLE XVII - To transact any other business that may legally come before this meeting.

Cheryl Cronin spoke about the upcoming 250th Anniversary of the Town on May 25th, 1992. She explained a group is already working on a commemorative quilt. They will be holding an organizational meeting on April 4th to start planning a celebration for the event and anyone interested is invited to participate.

Audrey Miller commented on the state of the Vozzela property, describing it as an "attractive nuisance," and urged Selectmen to do something about it.

Donald Hellen requested the Town put flowers on the Town Common for Memorial Day. He also reminded the Selectmen that at last year's meeting it was suggested that the stored settees be placed in the hallway for people to use while waiting to see the Town Clerk or Tax Collector.

Karen Oakes thanked those that volunteer services and time to the Town.

Thelma Hellen noted that the Grange sets out the flags on the Town Cemeteries.

Donald Hellen asked how many of the legal cases before the Town have been terminated? Vincent Early responded that one case has been settled.

Jim Miller asked the Selectmen to publish a list of all taxpayers and their property values.

Andrea Condon moved to dissolve the meeting. Ed Condon seconded the motion. The motion passed and the meeting was adjourned at 11:38 p.m.

Respectfully submitted,

Carol A. Baker
Town Clerk

INDEPENDENT AUDITOR'S REPORT

June 13, 1991

Board of Selectmen
Town of South Hampton
South Hampton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of South Hampton, New Hampshire as of December 31, 1990 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Town has not maintained a complete record of its general fixed assets which should be included in order to conform with generally accepted accounting principles. The amounts that should be recorded as general fixed assets are not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of South Hampton, New Hampshire, as of December 31, 1990 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of South Hampton, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Town of South Hampton OFFICE OF SELECTMEN

To the Residents of South Hampton,

1991 saw new activities and several changes. Once again, the Town benefitted from the many donors and volunteers who contributed energy, equipment and a positive spirit to the community they care about.

A permanent postal/street numbering system was put into effect after this office examined the options outlined by the Post Office. The Selectmen concluded that it was in the interest of public safety to establish the present system. Please correct your correspondence and postal box to reflect the new number if you have not done so already.

The hazardous dilapidated barn and sheds at the Hilltop have been torn down. This project is still being addressed.

Recycling began with a huge effort to collect "white goods". The Selectmen wish to thank James F. Watkins, C.P. Building Supply, Scott Dixon and the Firemen's Association members who worked with the RECYCLE committee to make the Town's entry into recycling a success.

Computerized records management has begun in South Hampton. Using equipment donated by Beverly Reynolds and training by Sharon Lariviere and Beverly the office will build expanded accessible information.

Fidelity Grange continues to lend assistance to the community through it's donations, Memorial Day flag purchases and by hosting many programs of community interest.

All financial records for 1990 were reviewed by the elected auditors, David Cronin and George Briggs, and by the firm of Mason & Rich. We are striving to implement their recommended accounting practices. New tax law now require deductions for salaried offices and employees.

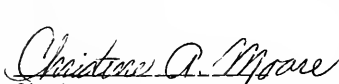

The Selectmen began preparations for a new waste collection contract.

Outstanding efforts were made by all departments to manage the effects of Hurricane Bob and other severe wind storms. Many trees were lost but fortunately, property damage was limited.

A hard working committee formed to plan for the Town's 250th celebration May 17-25, 1992. Volunteers are still needed to help finalize this special occasion. Recently, a Town Seal was chosen by judges from the community. The seal, designed by Mrs. Brenda Oldak, will be used for commemorative purposes during the celebration and for years to come. A Barnard School student design created by Beth Gosselin will also be used on some souvenirs.

Thank you for your support and interest.

Respectfully submitted,

Christine A Moore
Chairman

Charles E. Ducharme

E. Jo Ann Hill

Roadkill burials..... 3

Town Fees Collected.....\$180.00

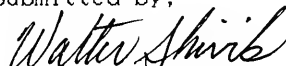

Other

The Town had to replace the submersible pump of the Town well which failed during the electrical work on the EOC. In addition, a well-tile was installed around the well-head to prevent surface flooding.

There were two incidents of damage to the Town Hall septic system as a result of installation work on the EOC.

New regulations enacted by the Environmental Protection Agency now require bi-annual testing of the water supply. This resulted in an unanticipated cost of \$335.00 in 1991.

Walter Shivik, H.O.

South Hampton N.H. Fire Department

R.F.D. 2 • MAIN AVENUE
SOUTH HAMPTON N.H. 03827

Dear South Hampton Residents:

For the past three years the Fire Department and the Firemen's Association have been raising funds to replace our 1947 Ford Forestry Truck. Recently we were able to purchase a 1988 GMC 1-ton 4x4 pickup to use as a replacement to the old truck. We are building a skid unit to install in the bed of the truck and have plans to build two side boxes, one for forestry tools and the other for rescue equipment.

Due to the increase in the number of medical aid calls, our department decided to run a First Responder Course with six members of the Fire Department attending and passing state certifications.

With limited state funding available, our firefighters have had to travel further to attend State Certified Fire Fighting Classes, plus give up many weekends.

I would like to take this opportunity to thank all the members of the Firemen's Association for their help in the purchasing of our new Forestry Truck and to thank all the townspeople for their support throughout the year.

Respectfully Submitted,

John A. Gamble, Chief/N.R.E.M.T.A.

REPORT OF THE TOWN FOREST FIRE WARDEN

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Chief of Police

P.O. BOX 220
E. KINGSTON, N.H. 03827

As the year 1992 begins and the year 1991 ends I would again like to take the opportunity to thank the residents of South Hampton and their elected officials.

Due to the difficult times again this year there will be no increase in the Police Department Budget.

I have attended numerous schools in 1991 and will be attending more in 1992 to increase my knowledge of Issues of Police Chiefs, Child Abuse Investigation, Police Liability Issues, Collection and Preservation of Evidence, Breath Test Operator Refresher, Crime Scene-First Responder, Gaze Nystagmus/DWI, Policy Procedure Creation and Implementation, Basic Fingerprint, Latent Fingerprint Recovery, Death Investigations, Crime Profiling and other courses pertaining to Police policies and procedures. These courses are held at New Hampshire Police Standards and Training in Concord, NH and there is no expense to the Town for me to attend these schools.

In March I will be completing my fourth Academy Class at the request of the Commandant of the Police Standards and Training Academy as an actor in the Officer Survival course.

After six years of service Sergeant Richard Scribner has left South Hampton to accept a position with another police department. He has done a great job for South Hampton and will be missed by all.

I would like to report that we are in our third year with the D.A.R.E.(Drug Abuse Resistance Education) program. The response to the program has been great again this year. Our third graduation is coming up in March. I hope you can and will attend and support our graduates. I would like to take this opportunity to thank our juvenile officer Mike Frost and our patrol officers for a job well done.

Respectfully submitted,

Wayne Theriault
Chief of Police

TOWN OF SOUTH HAMPTON, NEW HAMPSHIRE

OFFICE OF THE PLANNING BOARD

R E P O R T O N 1 9 9 1

There were no major subdivision applications in 1991. The Board processed a few small subdivision and lot-line adjustment applications. We adopted the amended Master Plan in February. Copies of it are available for review in the library or may be purchased from the Town Clerk. The Citizen's Summary of its content is being distributed to you with this Town Report.

An adhoc subcommittee went to work on the Capital Improvement Plan which is nearing completion and we expect to finish it early this year. We didn't meet all our 1991 goals so many of them appear again on our list for 1992.

We will continue and complete our work on overhauling the subdivision regulations and devising site plan review regulations. Excavation regulations must be amended as the laws governing them were again revised. There is a lot to be done in the area of zoning, too.

Flood Plain Zoning has to be amended to meet new FEMA and State requirements.

We must address ourselves to the "affordable housing" issue. We've done a lot of work on the concept of open space/cluster zoning which we believe offers good hope of providing for affordable housing while preserving the rural character of the Town. Such zoning, carefully crafted, could be beneficial. After studying several models and doing some drifting, we decided that the Board needs more education on the pitfalls of such zoning so that South Hampton can avoid them. Many towns have had experience with implementing this type of zoning and we think it is important to find out what they have learned. We are studying other affordable housing possibilities, too, such as accessory housing.

We want to put zoning in place that will allow us to impose Impact Fees. That could be important for South Hampton in the next round of development pressure.

And the Master Planning Process is ongoing, as it is not a static document. The Future Land Use section is incomplete as it is required to include specific recommendations.

We have a lot of work to do, but one 1991 achievement should free us for more attention to the planning process: All of us working together were able to make strides in the definition of the respective roles of the Planning Board, the Building Inspector, the Zoning Board of Adjustment and the Selectmen in relation to the administration of the zoning.

The Planning Board values public comment. We look forward to hearing from our neighbors with their reactions to the Master Plan. We need your help as we try to plan for South Hampton's future.

Respectfully yours,

Larry Baker
Dennis Blair
Ilsa Briggs, Chairman
Gary Crosby, Vice Chairman
Christine Moore, Selectmens' Representative

Zoning Board of Adjustment

Town Hall
South Hampton, New Hampshire 03827

FEBRUARY 1992

"...The board of adjustment is an essential cog in the entire scheme of a zoning ordinance, and that lacking it, the ordinance before us is invalid as a zoning ordinance."

- New Hampshire Supreme Court
Jaffrey V. Heffernan 104 NH 249, 1972

The Board of Adjustment has the authority to act in three different categories to provide for the satisfactory resolution of situations involving the Zoning Ordinance:

SPECIAL EXCEPTION is an allowable use of the property expressly permitted by the ordinance. The granting of a special exception is a matter of right, not privilege.

APPEAL FROM AN ADMINISTRATIVE DECISION provides the Board with the opportunity to determine whether any error has been made in any order, requirement, decision, or determination made by an administrative official in the enforcement of the Zoning Ordinance.

VARIANCE grants permission to use a specific piece of property in a more flexible manner than allowed by the ordinance, provided that all of the following conditions are met:

1. No diminution in value of surrounding properties would be suffered.
2. Granting the permit would be of benefit to the public interest.
3. Denial of the permit would result in unnecessary hardship to the owner seeking it.
4. By granting the variance substantial justice would be done.
5. The use must not be contrary to the spirit of the ordinance.

The Board of Adjustment meets on the third Thursday of each month at 7:30 p.m. in the Town Hall. Public hearings are posted and legal notice is published in either the Carriage Town News or The Amesbury News.

Notice of decisions by the Zoning Board of Adjustment will be placed on file in the Town Clerk's office within 72 hours.

SOLID WASTE DISTRICT

South Hampton is one of 10 member towns of the Seacoast Regional Refuse Disposal District (SRRDD) 53-B. New Hampshire state law, RSA 53-B, requires all towns to join and operate within the specifications of the RSA. In the past year we have actively backed legislation for a Household Hazardous Waste Disposal law. The resulting law passed and money grants for solid waste districts were included in the legislation.

South Hampton will participate in a household hazardous waste collection on April 25, 1992, at the Sandown Town Hall parking lot. All residents will be receiving flyers with specific directions to Sandown, suggestions for transporting waste products and a list of the types of materials considered to be hazardous waste items.

The District will be returning to participating Towns money formerly placed in the Septage Capitol Reserve Fund because this project is no longer active.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "Walter M. Hill".

Walter M. Hill, Representative

Recycling Committee

In May of 1991 South Hampton began it's recycling program. We are recycling: aluminum cans, tin & assorted metal cans, glass (green, clear & green), newspaper, corrugated cardboard, plastics 1 & 2 and refundables.

The success of the Recycling program has been based on a central location for the townspeople to come to and drop off their recyclable materials and the volunteers that have made the program effective and a huge cost saving for the town.

Recycling monies earned and brought into the general fund, for 1991 are as follows:

White Good Collection	\$ 145.00
Refundable	300.00
Container Recovery	414.99
Grants Awarded	782.49
Total Cash Income	1,642.48

In addition to cash brought in 1991, we also calculate that we eliminated an average of 3 tons per month from the waste stream*. We pay \$50.00 a ton in tipping fees to have our garbage taken to the Kingston Dump. So our estimated savings to for the town is:

3 Tons X \$50.00 = \$150.00 savings per month

\$150.00 X 5 (months in operation) = \$750.00 savings in
tipping fees

In addition to the above income we also received a Governor's Grant for \$875.00, which was granted in 1991, but funds were not received until 1992.

Activities:

This year we are asking that funds be approved for The Town to purchase a "Coke Truck". We feel that at this time it is necessary to have our own, since Kensington has so generously shared their truck with us, and with South Hampton bearing a very minor part of the cost. Also, there may come a time in which we may not be able to utilize Kensington's Truck and then that would be a major road block to our program.

For a point of reference - curbside pick-up of our recyclable would cost \$1.00 per house, that is a cost of over \$15,00 per year. While curbside would be a great way to go, we feel that at this time it is a costly program and we would like to see a greater participation from the town for it's current program.

Please note that we are pursuing grants to defray the costs of the purchase of our own truck, but these may or may not come to fruition. We are also on a waiting list for a truck, which we do not know how long before we have one made available to us.

We are also asking the town if they are interested in a "Bulky Waste" pick-up; which would include the collection of household items, besides appliances, and taking them to the Kingston Dump. Please let us know if this is an project that you feel needs to be done. We are open to your interests.

The progress that has been made to date would not have been possible without the help and knowledge of several very important people. It's important that they be acknowledged and recognized. They are:

Volunteers and Committee Members

Betty Courrier, Neil Courtney, Beverly Reynolds & Bodo Wallem

Special Volunteer

Lee Knapp, for being there every Recycling Saturday and helping tirelessly.

Jane Cowan, for attending our meetings and being there the entire morning on Saturday.

Walter Hill, for his role as advisor and mentor.

Mrs. Courtney's 5,6,7 & 8 grade classes for their assistance in putting together a survey and assisting the recycling efforts on Saturday mornings.

Town of Kensington, for their cooperative use of the "Coke Truck" and the sharing of all their knowledge, without which we would have had to waste a lot of time and money trying to find a system that would work.

A very Special Thanks to the 25% Club! Whose members make up the 25% of South Hamptoners who recycle. Just think of the savings we could generate if more people recycled.

A Call for Help!

We need you! Anyone who has a few extra hours on the Second Saturday of the month, please let us know. We need volunteers! If you can come and devote some time, it will allow our current volunteers some badly needed time off. Please call any of the volunteers or the Town Hall and we will contact you. Or better yet, please come.

We also need your recyclable! Your participation is essential to our success. Remember our success is your success. Recycling is a win-win situation for South Hampton.

Thanks for your support,

P.K. Erickson
Chairman

* this does not include the white goods, which was 9 tons

HIGHWAY AGENT'S REPORT
1991

This spring white stop lines were painted at intersections flagged by stop signs and all town road intersections were swept. All road shoulders were cut to grade and culvert ends were dug out to keep water from accumulating on road surfaces. Roadside brush was cut on all roads. Fallen trees were cut from the wind storm on April 21 and Hurricane Bob. One culvert was replaced on Hilldale Ave. between Ross's and Knapp's. One culvert at Sand's and Sanborn's was repaired with new pipe and catch basin. Woodman Road was shimmed with hot top to smooth off road and keep the water from laying on the road. One culvert was replaced on Highland Road at Marston's and Carey's.

Over \$1,000.00 was spent on purchasing street (name) signs, speed limit signs, brackets, nuts and bolts.

Locust Street has needed work for a few years and this year, with the help of Kingtown Transportation, Locust Street was repaved. They did a very good job. There is still 200'+ that needs paving. We could not finish because we ran out of money.

This year Chase Road needs culvert work and repaving.

Also, a Thanks to Joe Brunet, the Fire Dept., Police Dept., Ed Condon, and many others for their help during Hurricane Bob.

Respectfully submitted,

Scott E. Dixon

LIBRARIAN'S REPORT - 1991

CIRCULATION

Adult fiction	536
Adult non-fiction	405
(Periodicals - 143)	
Juvenile fiction	1, 935
Juvenile non-fiction	710

TOTAL CIRCULATION 1991 3,586

BOOKS ADDED BY PURCHASE

Adult	43
Juvenile	150

BOOKS ADDED BY GIFT

Adult	9
Juvenile	34

TOTAL BOOKS ADDED 1991 236

As you can see from the above figures, circulation for 1991 remained strong. Twenty-five new library cards were issued during the year. We now have over 370 registered borrowers.

The summer reading program was well attended during July and August. Between 15 and 20 children preschool age through 4th grade participated. The completion of the program was celebrated with an ice cream sundae party and awards for the top readers in each age group. The preschool story hour continues to be popular on Thursday afternoons. This time includes reading stories, working on a craft project and a snack.

I am continuing work on my Library Techniques Certificate which is required by the New Hampshire State Library. I've just about completed my fourth course with 3-4 more to go. The Friends of the Library have given me a great deal of support in this area. I greatly appreciate their encouragement and financial assistance.

During the past year the fiction sections of both the adult and juvenile collections were weeded. Major attention will be given to these two areas for purchasing in 1992. We will also be concentrating heavily on the reference section and working to make it an area of valuable information for all our patrons - both young and old.

This is your library. I strongly encourage your suggestions, ideas and most especially, your visits. If you haven't been in lately or don't have a library card - there's no time like the present. The library hours are: Monday 7-9pm; Wednesday 12:30-4pm and 7-9pm; and Thursday 9:30-11:30am and 12:30-3pm.

Special thanks go to the Trustees Martha Anderson, Linda Blair and Madeleine Burrill for their support during the year.

Respectfully submitted,

Sue Wyand

SCHOOL DISTRICT WARRANT
Election of Officers - 1992
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of South Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE TOWN HALL, IN SAID DISTRICT ON TUESDAY THE 10th OF MARCH, 1992 AT ELEVEN O'CLOCK IN THE MORNING TO VOTE FOR DISTRICT OFFICERS.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose one School Board Member for the ensuing three years.

POLLS WILL NOT CLOSE BEFORE 8:00 P.M.

The foregoing procedure calling for election of your District Officers at the Annual Town Meeting is authorized by Statute (RSA 671:2) and was adopted by the District at its 1966 Annual Meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID SOUTH HAMPTON THIS 14 DAY OF FEBRUARY, 1992.

TOWN OF SOUTH HAMPTON
SCHOOL DISTRICT WARRANT

1992

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of South Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE TOWN HALL IN SOUTH HAMPTON ON WEDNESDAY THE 4TH OF MARCH, 1992 AT 7:30 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at the Town Meeting (South Hampton Town Hall, March 10, 1992. Polls open at 11:00 A.M. and close at 8:00 P.M.) in accordance with the Statutory Election Procedures adopted by the District at its March 1966 Annual Meeting.

1. To see if the District will vote to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) to pay the salary and related fixed charges for an instructional aide. (RECOMMENDED BY THE BUDGET COMMITTEE)
2. Shall the school district accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?
3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District.
4. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
5. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID SOUTH HAMPTON THIS 14 DAY OF FEBRUARY, 1992.

SOUTH HAMPTON SCHOOL DISTRICT
ANNUAL REPORT 1991 - 1992

In spite of a "roller coaster" election, two court decisions, and a School Board position that was determined by the "flipping of a coin"; this was an exceptionally productive year for the newly assembled Board. I would like to share some of the highlights with you.

The first action the School Board took was to establish a Business Plan which included roles, responsibilities and goals for the Board. Our goals included a commitment to communicate with the townspeople; investigate the possibility of a kindergarten and redefine budget line items to better represent usage.

The School Board initiated a newsletter to all townspeople, NOTES, from the Chairman. This was our way of informing the public of what took place at the regular School Board meetings, and also of special guests we had invited to our meetings. It was our intention to communicate with everyone in town, especially those of you who are unable to attend our meetings.

In May, the School Board invited the guidance counselor from Amesbury High School, Mr. Robert Kynor, to a regular School Board meeting. The parents of the 8th grade students were invited to ask questions.

In June, Audrey Brunet submitted her resignation after 23 years of service as the Barnard School secretary. Also in June, the School Board requested a comparison between Amesbury High School and Winnacunnet Cooperative high school. We were advised that the tuition at Winnacunnet would be considerably higher.

In August, we invited Mr. Stephen Gerber, Superintendent of Amesbury Schools, to attend an open forum held in the town hall. The School Board had many questions for Mr. Gerber. Townspeople attending had questions answered regarding Amesbury's accreditation. This was the first time Mr. Gerber had been invited to our town. It was a good feeling to know that Mr. Gerber, with all the students he has in his school system, is just as interested in our students from South Hampton.

The new school secretary, Betty Blanchette was hired in August. Her schedule was set so that someone is available in the office more of the school day.

In September, Terry Marinos submitted his resignation. Terry will be missed by everyone at the school as well as by many townspeople. Terry has been a teacher, friend and principal to many people in town.

The School Board immediately formed two committees to help in the selection process for a new principal. An Advisory Committee to establish the hiring criteria, and a Screening Committee to conduct the initial interviews. To-date, candidates have been recommended to Superintendent Weiss by the committee. The process should be completed by the beginning of March.

When our town was given the opportunity to be part of the cable television system, the school was also included. With the permission and aid of the Trust, the Barnard School is now hooked into the cable system.

At last years town meeting the Selectmen were given direction from the town to form an E.O.C. (Emergency Operation Center). Because of this direction, the School Board authorized the Superintendent to develop an Evacuation Plan for our children at the school. Dr. Weiss has done this for the other towns in the S.A.U. We are working together to clarify some of the unusual situations we have encountered.

This School Board initiated a Teacher Exchange Program in the S.A.U. Some of the other towns have started this program. After a meeting explaining the program to the teachers in the Barnard School, they were very receptive to the idea. This program would give teachers an opportunity to go to another school in the S.A.U for a day, week or longer to share methods and ideas. It could also be very beneficial to any teacher who volunteers. The children will also benefit from exposure to a variety of teaching.

The Board has developed a survey which was distributed in February. We are looking for input from the town regarding curriculum, facility and possible future programs. We also asked for an evaluation of the Board's success during this past year.

The School Board would like to thank the Trustees of the Barnard Trust for the installation of the carpet at the top of the stairs and also in the entrance of the building. This was done over this past Christmas vacation.

I would like to thank all committee members, staff, administrators and fellow Board members; as well as, those of you who have supported the school, the children and our efforts. Your help has been invaluable. It is my hope that this cooperative spirit will continue for the benefit of us all, for many years to come.

Respectfully submitted,

A handwritten signature in cursive script that reads "Donna M. Moore".

Donna M. Moore, Chair
South Hampton School Board

South Hampton, N. H.
March 5, 1991

The Annual South Hampton School District Meeting was called to order by Moderator Dennis Blair at 7:40 p.m. with the hall, entry way, and stage filled to capacity with 230 registered voters plus a few non-voters.

The Moderator introduced the Treasurer, Clerk, School Board, Budget Committee, Selectmen, SAU 21 Asst. Supt. Leon Worthley and SAU 21 Legal Counsel, Alfred Cassassa, Principal Terry Marinos whom he thanked for setting up the hall. The candidates seeking school positions were also introduced.

A copy of the 1991-92 Collective Bargaining Agreement attached to the Warrant on page 284 of the Town's minutes was distributed. The Moderator summarized the articles on the Warrant, and explained his ground rules, including segregating non-voters on the stage and requiring motions to reconsidered to be made before the next article is moved.

Roy Syvertson made a motion "to urge the Moderator to set the following rule for this School District Meeting: No reconsideration shall be allowed on any article or motions-(for the benefit of expediting the meeting in consideration of all citizens that may have to work the next day.)" Second by Christine Moore. After a discussion of the differences between the Moderator's ground rule and Mr. Syvertson's proposed rule, Mr. Syvertson's motion FAILED.

Judith Shivik moved "that the district vote to allow the Supt. of Schools, his staff, the Principal and Legal Counsel to speak or answer questions when requested" - Second by Horace Cressy - Without discussion, the motion PASSED.

Judith Shivik moved "to change the order of Article I and II" - Second by Audrey Miller. Mrs. Shivik explained her motion. Article I asks the meeting to add to the capital reserve; Article II asks to dissolve the reserve. The motion to change the order PASSED.

The Moderator was handed four petitions for a secret vote on four articles, namely: 1,2,3 and 5. He declared a short recess to ask the petitioners to withdraw their petitions and consider the alternative of requesting a revote by secret ballot after a vote by a show of hands. Horace Cressy felt because they were signed by five or more voters, there was no alternative but to vote by ballot. Mr Cressy also suggested the Moderator appoint an assistant clerk and an assistant moderator and conduct two ballots at the same time. During the short recess that ended at 8:05 p.m. no petitions were withdrawn.

Barbara Czumak made a motion "to address the articles in the following sequence 5-2-1-3-4-6-7 so that we can vote on the largest monies first." Second by Roy Syvertson. Legal Counsel Al Cassassa expressed his opinion that Article 5 should be left where it is, but the decision would be up to the meeting. After more discussion, the motion to change the order of articles FAILED.

ARTICLE II, considered first.

Rebecca Riecks moved the article to dissolve the capital reserve. Second by John Santosuosso. Ms. Riecks began the discussion by mentioning current

economic conditions, the vote two years ago not to build a school, people putting land into current use which means less tax money. Several people discussed at length the Town's financial condition.

Gordon Motley moved "to move on to the vote." Second by Beverly Reynolds. The Moderator ruled a two-thirds vote would be necessary to end the discussion. The motion to end the discussion PASSED. A secret ballot vote was held on the article to dissolved the capital reserve. The article PASSED: 119 YES - 111 NO.

Judith Shivik "moved to reconsider." Second by Peter Oldak. Mrs Shivik gave reasons why it was important to have a Capital Reserve. She also said she did not care if the vote on her motion to reconsider was by a show of hands or by secret ballot. David Riecks pointed out the wording of the petitions.

After a discussion on the method of voting, the Moderator ruled a secret ballot was not necessary on the motion to reconsider. He then asked for a show of hands to determine if the meeting supported his ruling. The meeting did.

A long discussion on what would become of the money was held. Counsel stated the Article I was unclear and should have had a second part to direct what was to become of the funds. It seemed the sense of the meeting was that the funds would be used to reduce school taxes. The money goes from the Trustee of the Trust Fund to the School Treasurer. The School Board can then ask for a ruling from the State Tax Commission based on the sense of the meeting or the State Tax Commission could ask that a second vote be taken on what was intended for those funds released from the capital reserve. Pamela Noon read the RSA 35:16-A Discontinuing Funds in answer to the questions raised.

Ed Condon and Judith Shivik made statements about undoing what was already done to save a small amount on taxes didn't seem to make sense. When discussion ended, motion to reconsider the vote on dissolving the capital reserve FAILED: YES 96 - NO 112.

ARTICLE I, considered second

Because the meeting voted to dissolve the capital reserve, the Moderator asked the meeting for unanimous consent that the article to contribute to the capital reserve fail. By unanimous consent, the article FAILED.

ARTICLE III

Horace Cressy move "to amend the article to read \$3,000 as recommended by the Budget Committee." Second by Norman Felch. Mr. Cressy spoke for the amended article. Margaret Miller spoke against any amount for this article. Pamela Noon explained why this article was put in. Many other people spoke. At 10:48 p.m., discussion closed.

The Moderator asked those who signed the petition for a secret ballot on this Article III to withdraw their petition. After a short recess, all petitioners present at the meeting withdrew their names from the petition. The Moderator ruled that a secret ballot would not be used on Article III. He then asked and received a unanimous vote supporting his ruling.

The motion to amend the article to read \$3,000 instead of \$7,020 FAILED. A vote was then taken on the article as written in the Warrant. The article FAILED.

ARTICLE IV

Pamela Noon moved "to accept this article as written." Second by John Santosuosso. With no discussion, the article PASSED.

ARTICLE V

Pamela Noon moved "that the District raise and appropriate the sum of \$619,974, exclusive of special money articles, for the support of schools and funding of cost items in the 1991-92 Collective Bargaining Agreements with teachers and support personnel, for the salaries of School Officials and Agents and for the payment of statutory obligations of the District". Second by Judith Shivik.

Mrs Noon stated that the dollar amount in her motion is \$5,720 less than the amount indicated on the budget summary. The reduction is in the retirement line, Account #7000-220. The revised amount for this account is \$3,548. The reason for the revision is that a bill has been passed in the State legislature. This bill reduces rates which were previously announced by the Retirement System to lower rates.

David Riecks moved "to reduce the School District Budget for 1991-92 by a total of 20%, for a final dollar value, excluding the warrant articles, of \$500,555.20". Second by Albert Blackadar. Mr. Riecks cited people putting land in current use to reduce their taxes so the need to cut the budget is a must.

Judith Shivik estimated that the \$120,000 cut would probably mean eliminating two full time teachers, sports, music, art, speech, guidance, nurse, physical education, field trips, teacher aide in grades 1 & 2 and secretary. The teachers with the least tenure would be lost and the teachers left would distribute the duties among them.

In the next few weeks, because of teacher contracts, the school board will have to put together the program that will be funded by \$500,555. The question now is, if the article passes, would it be worth having at Barnard School? If tuitioning is to play a part, they have three weeks to act to see if schools will take us.

Many spoke against this drastic cut. Margaret Miller asked the present board how they could implement the 20% cut. Both Pamela Noon and Donna Moore felt it would be difficult, but they did not have enough experience and would use the Superintendent's guidance. Ms. Shivik pointed out that the 20% cut would impact Barnard School much harder than high school students because high school education is set contractually.

Mr. Lutz Wallem said the motion was irresponsible, and the people advocating the cut must have a serious plan to identify where the cuts would occur. He brought up other points that he asked the meeting to consider when they vote.

Supt. James Weiss stated that, in his opinion, it would be very difficult to run the school on the budget left after the fixed charges for high school students. He stated the school board has been trying their utmost for quality education. A 20% cut would eliminate the quality they have worked for.

The Moderator ruled the vote on the motion to amend the article would be by a show of hands. He then asked the meeting to support his ruling. The meeting voted to support his ruling. A vote was then taken on the motion to cut the budget by 20%. The motion FAILED.

Rebecca Riecks made a motion "to see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligation of the District". Second by Albert Blackadar. The Moderator instructed Ms. Riecks to consult with Legal Counsel on her motion to reject the Collective Bargaining Agreement.

Superintendent Weiss stated two other school district in SAU 21 have, in effect, approved the Collective Bargaining Agreement by approving the bottom line budget for their schools.

After discussing her motion with Legal Counsel, Ms. Riecks withdrew the motion. The second was also withdrawn. By a unanimous vote, the meeting approved the withdrawal of the motion.

Catherine Silver moved "to increase line item 1100-115 Salaries-aides from \$5,511.00 to \$8,660.00". Second by Douglas Silver. Mrs. Silver gave her reasons why an aide is needed in the first and second grade and asked that it be for the 27 1/2 hours as it had been. Pamela Noon explained an aide does not have to be a certified teacher. She then gave the background of the cut in the budget to save \$2,800. After a long discussion by many, the motion to increase the line item by \$3,149 (\$8,660 - \$5,511) PASSED.

The main motion was then brought back to the meeting for consideration with a figure of \$623,123, including the Additional \$3,149 for the teacher aide. Mr. Wallem raised an issue that the figure for the aide gives her a 5% increase. Mrs. Shivik stated the board sets the rate for the aide. Even though the money is there, it doesn't mean she will get it.

Pamela Noon then read Article V as amended. "To raise and appropriate the sum of \$623,123.00, exclusive of special money articles, for the support of schools, including approval and funding of cost items in the 1991-92 Collective Bargaining Agreements with teachers and support personnel, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District".

The Moderator reminded the meeting of the petition for a secret ballot. Mr. Riecks stated the petitioners would insist on a secret ballot. Fred Anderson asked for the names to be read on the petition. The Moderator said the names would be available after the meeting. The Moderator explained that a YES means you are in favor of the amended article and a NO means you are opposed. At 12:30 a.m., the amended article PASSED: 118 YES - 36 NO.

ARTICLE VI

Judith Shivik moved the article. Second by Pamela Noon. With no discussion, the article PASSED.

ARTICLE VII

With reference to ARTICLE XXVIII on last year's Town Warrant on whether the Town would have any interest in the building owned by the Barnard Trust, Pam Noon asked if any meetings had taken place with the Selectmen. Barnard Trustee Peter Bryant said the trustees would prefer all trustees be present to discuss this issue. At present, one trustee is in Florida and is due back in April. He also stated that, when the article was put on the Town Warrant, it was by request of the Trust. At the time, it appeared the Town was still considering a new school building. The Trust would not be interested in maintaining a building if there was no school in it. It appears from the vote last year and this year, however, a new school is no longer a possibility.

Judith Shivik mentioned I had not filed for re-election, and was ending my 22 year tenure as the School District Clerk. The applause was appreciated.

Supt. James Weiss presented Judith Shivik with a plaque for her six years on the board on behalf of the School Board Association. Sheila Mahoney and Brenda Oldak, co-chair of the Barnard School PTA, presented Judy with a bouquet of red roses for her work on the board.

John Gamble spoke on the Capital Reserve Fund. He felt that, because the wording "rebuilt" was taken out of the capital reserve article, the capital reserve was dissolved. He said another Capital Reserve Fund should be started again with an amount to be recommended each year by the Budget Committee.

After conferring with Budget Chairman Lutz Wallem, JoAnn Hill mentioned the amount of \$174,000 as Fund Balance is excessive and felt we were over taxed for the year 1990.

At 12:45 a.m. Linda Blair moved to dissolve the meeting. Second by Carol Baker. By a unanimous vote, the motion PASSED.

It has been an interesting 22 years, and I have enjoyed every minute of it.

Respectfully submitted,

Audrey H. Brunet
School District Clerk

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
South Hampton School District
South Hampton, New Hampshire

We have audited the accompanying general purpose financial statements of the South Hampton School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1991, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the South Hampton School District at June 30, 1991, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1991, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

Plodzick & Sanderson

Barnard School
1 Hilldale Avenue
South Hampton, New Hampshire 03827

I hereby submit my report as principal of the Barnard School.

Enrollment 1991-92:

Barnard School

Grade 1	-	9	Grade 5	-	7
Grade 2	-	6	Grade 6	-	11
Grade 3	-	8	Grade 7	-	8
Grade 4	-	13	Grade 8	-	11

Total Barnard School Enrollment - 73

Amesbury High School

Grade 9	-	8
Grade 10	-	7
Grade 11	-	8
Grade 12	-	9

Total Amesbury High School Enrollment - 32

The unveiling of the sculpture entitled "The Mythology of South Hampton" was held on March 20, 1991. The South Hampton Library was filled with students, teachers, parents, and townspeople. A very special thank you to the South Hampton Library trustees for giving us a very special place to display this sculpture.

Susan Kisslinger, a drama specialist, was at the school last January to do a residency involving dramatics and creative writing. Ms. Kisslinger and the students worked together each day to stage selected poems and stories written by the students. They worked with acting movement, music and sound to bring pieces of writing "to life" on the stage.

The week ended with an evening performance in the Town Hall. The evening concluded on a serious note as Ms. Kisslinger read some of the students' poems about war in the Gulf. The students expressed their wishes for peace and understanding during these difficult times.

Eighty students and chaperones attended a performance of The Nutcracker at the Palace Theatre in Manchester, NH on December 12, 1991. The performance was presented by the Connecticut Ballet Co. and the New Hampshire Philharmonic Orchestra.

The Montshire Science Circus will be at the Barnard School on March 31, 1992. The group will be doing science

activities during the day, and there will be an evening program for students, parents, faculty, and townspeople.

The students in grades 2-6 participated in the five month Book It! reading incentive program. Goals were set by the language arts teachers at each grade level for a specific amount of independent reading time per day (15-20 minutes) for 15 days each month. This reading was done at home and signed by an adult. Students who met the goals were honored at a pizza party.

In April awards were made to participants in the Young Authors' Conference and to those who met their goals in the Book It! reading program. Professor Donald Murray, who is a retired professor of English and Journalism at the University of New Hampshire, as well as a Pulitzer Prize winner and newspaper columnist, spoke to the students and answered their questions. The winners from each grade attended an SAU#21 Gala at Winnacunnet High School.

A Mini Computer Lab Program was introduced at the Barnard School. All computers are located in in one area for an entire week. The following are areas covered:

Word Processing	Graphics
Keyboarding	Spreadsheet
Computer Awareness	Programming
Data Base	Combining Word Processing
Graphing	and Graphics

This program will be done once each quarter during the school year.

The Barnard School store opened this past spring. The students in grade 8 operate the store daily. They are involved with purchasing, pricing, profit & loss, and selling. All proceeds from this activity will go to the Arts & Humanities Fund.

The following programs and events occurred at the Barnard School this past year:

- Geography Bee
- Spelling Bee
- Young Authors' Conference
- Lip Sync Contest
- "Jumping for Heart" Physical Fitness
- DARE Program
- Officer Phil Safety Program
- Fire Safety Program
- Soup Day
- 8th Grade Bake Sale
- 8th Raffle and Auction
- IFYE Speaker (4-H)
- Sewing Class (Volunteers)
- Additional Library Time (Volunteers)

Aerobics (Volunteers)
School Newspaper (Volunteers)
School Dances
8th Grade Washington Trip
Volunteer Awards Assembly
Lawyer in Every Classroom
School Math Night

The following field trips were taken during the school year.

- a. Plimoth Plantation (grades 3 & 4)
- b. Shrine Circus (grades 1-6)
- c. Science Enrichment Encounters
Christa McAuliffe Planetarium (grades 3 & 4)
- d. Canobie Lake Park (grades 5-8)
- e. Boston Aquarium & Boston Common (grades 1 & 2)
Freedom Trail (grades 6 & 7)
- f. Washington Trip (grade 8)
- g. Odlorne State Park (grades 1 & 2)

I would like to thank the Town of South Hampton for a memorable thirty years. I would also like to thank the staff of the Barnard School for their constant support during my years in South Hampton.

Respectfully submitted,

Terry Marinos

Terry Marinos
Principal

Report from the Superintendent of Schools

I am very pleased to submit this 1991 Superintendent's Annual Report for the South Hampton School District. The year was highlighted by the announcement by Barnard School Principal A. Terry Marinos that he would retire at the end of the school year. Terry Marinos has been the educational leader in South Hampton for thirty years, and his announcement marks the end of an era. Also retiring during the year was long-time School Secretary Audrey Brunet.

During the year, the School Board was involved in many important issues including the final selection of Board Member Barbara Czumak after a long and often heated election. Once complete the Board immediately began to develop a community survey, plan for the selection of a new School Principal and work with the Town on the implementation of a New Hampshire Yankee Evacuation Plan. The Board also attempted to build a stronger relationship with the Amesbury, (MA) Public Schools proposing representation on the Amesbury School Committee.

Educationally, the Barnard School continues to offer a comprehensive program which includes computer-assisted instruction, a renewed focus upon mathematics and a wide range of cultural enrichment activities. Highlighting these cultural activities was a trip in December to Portland to a performance of The Nutcracker for the entire student body.

School staff members were involved in numerous in-service activities including two SAU-wide release days featuring teaching/learning styles workshops with Dr. Kathleen Butler. Individual faculty members were encouraged to consider exchanges with other SAU teachers as a means of seeking new and different ideas and techniques. New teacher evaluation forms and procedures were implemented this year as well, and many activities targeted the SAU-wide curriculum focus of mathematics.

The year 1991 marked the completion of work with the Barnard Trust to upgrade the school building to meet the Fire Marshal's code requirements. While the building still does not meet all of the State Life-Safety Code requirements, some safety improvement should be noted. During the renovations, tests revealed that no asbestos was present in the walls needing modification.

The Barnard School remains a very special place due in large measure to the people who work for the School District and live in the community. Staff and townspeople share a very special relationship which was exemplified by the impressive Volunteer Appreciation Assembly held this Fall. The Barnard School remains a warm and caring educational institution.

Respectfully submitted,

James H. Weiss, Ed.D.
